Subject: RE: OpenAI Output Log Preservation - Sampling Order

Jen,

OpenAI intends to follow the Court's order as written and "submit a proposed order regarding the specific sampling process, consistent with the discussion on the record, by June 6, 2025," so that the parties can proceed with the sampling process in an expeditious manner. While we are happy as always to meet and confer, the Court's order does not contemplate the submission of a joint proposal.

Regards,

-Ed
